Ann Marie is with the Middlesex County Health Department as has asked for info on the site. Can we get her copies of the maps and fact sheets we prepared?

Thanks

It was good speaking with you this morning. I will disseminate the information on biota testing to DEP F&W, along with a map of the area, if you have one indicating areas that are affected. Any additional info you can provide would be appreciated. Please include me on correspondence, etc., so we can be in a position to address calls from the public. Many thanks.

Ann Marie
